2021-2022 Verification Information for Students

What is “Verification”?

Approximately one out of every three students who submit a FAFSA are selected by the Federal Processor for a process called “verification.” This means the school is required to verify some of the data reported on the student’s FAFSA. In addition, the Financial Aid Office may verify any application that appears to have inaccurate or conflicting information even though the application was not selected for verification by the Federal Processor.

FAFSA items selected for verification include, but are not limited to, the following:

Household size	Number in college	U.S. income tax paid
Adjusted Gross Income (AGI)	Education tax credits	Untaxed income
Income earned from work	High school completion status	
Identity/statement of educational purpose		

Required documents:

In order for the school to verify the FAFSA data, the student is required to submit certain documents. The documents needed are listed on the student’s ToDo list in MyPSC.

Student’s responsibility:

It is the student’s responsibility to provide accurate information on the requested verification documents and to submit these documents as quickly as possible. Delaying document submission will hold up the processing of your application. Failure to provide the requested documents will result in your financial aid application not being processed by the school.

Signature requirement:

All signatures must be pen-to-paper signatures. **Electronic signatures will not be accepted.**

Submitting documents to the One Stop Office:

- Via FAX to (402) 872-2419
- Use the Upload feature in myPSC
- In person
- Via U.S. mail
