 Business Administration, Human Resources and Risk
 Management Option, BS/BA

Business Administration, Human Resources and Risk Management Option, BS/BA

The Human Resource and Risk Management option will provide students with an exceptionally strong human resources background, along with an understanding and application of risk management principles. Additionally, students are provided with technical skills in project management and database development and programming, which provide human resources professionals with the technical skills necessary to transition easily from college to the workforce.

A student must complete the following requirements in addition to the General Studies requirements. No grade lower than "C-" will satisfy major requirements.

Students wanting to pursue a Bachelor of Arts degree must complete the Additional BA Requirements.
